I'm good with the time. I don't expect a lot in the report actually. Since the deliverable was the monitoring information to LSP/LDEQ.

Subject: Essen Incident interim report

Greg,

With the bayou corne and Isaac responses we haven't had much of an opportunity to get started on the essen incident report. Was wondering if we can submit the interim to you by oct 10, interim is currently due 9/30. This would give us the time needed for our qc process without rushing it.

If we need to abide by the 9/30 schedule we can make it work.

Thanks
david
